MESSAGE FROM
TOM GLOCER

Dear Leila,

Congratulations on winning an award in the 2008 Community Champion Awards program. I am very impressed by the work you are doing to help others in need. Your spirit of giving-back confirms what great people we have in our Company who not only contribute to Thomson Reuters, but to the communities in which we operate as well.

The amount of your award can be found in the attached document, which lists all of this year's winners. A wire transfer of the funds is in process and will be sent directly to your charity by the end of the week.

Thomson Reuters values community service and is proud to recognize our employees' efforts. I encourage you to continue the good work you are doing to support your community. Pass along the good news to your colleagues so they are inspired to join your efforts.

All the best.

Tom Glocer
